**A BILL**

To amend the National Security Act of 1947 to regulate public disclosure of information held by the Central Intelligence Agency.

- 1 *Be it enacted by the Senate and House of Representa-*
- 2 *tives of the United States of America in Congress assembled,*
- 3 ~~That this Act may be cited as the "Intelligence Information~~
- 4 ~~Act of 1983".~~

1 FINDINGS AND PURPOSES

2 SEC. 2: (a) The Congress finds that—

3 (1) the Freedom of Information Act is providing  
4 the people of the United States with an important  
5 means of acquiring information concerning the work-  
6 ings and decisionmaking processes of their Govern-  
7 ment, including the Central Intelligence Agency;

8 (2) the full application of the Freedom of Informa-  
9 tion Act to the Central Intelligence Agency is, howev-  
10 er, imposing unique and serious burdens on this  
11 agency;

12 (3) the processing of a Freedom of Information  
13 Act request by the Central Intelligence Agency nor-  
14 mally requires the search of numerous systems of  
15 records for information responsive to the request;

16 (4) the review of responsive information located in  
17 operational files which concerns sources and methods  
18 utilized in intelligence operations can only be accom-  
19 plished by senior intelligence officers having the neces-  
20 sary operational training and expertise;

21 (5) the Central Intelligence Agency must fully  
22 process all requests for information, even when the re-  
23 quester seeks information which clearly cannot be re-  
24 leased for reasons of national security;

1       (6) release of information out of operational files  
2 risks the compromise of intelligence sources and  
3 methods;

4       (7) eight years of experience under the amended  
5 Freedom of Information Act has demonstrated that this  
6 time-consuming and burdensome search and review of  
7 operational files has resulted in the proper withholding  
8 of information contained in such files. The Central In-  
9 telligence Agency should, therefore, no longer be re-  
10 quired to expend valuable manpower and other re-  
11 sources in the search and review of information in  
12 these files;

13       (8) the full application of the Freedom of Informa-  
14 tion Act to the Central Intelligence Agency is per-  
15 ceived by those who cooperate with the United States  
16 Government as constituting a means by which their co-  
17 operation and the information they provide may be dis-  
18 closed;

19       (9) information concerning the means by which in-  
20 telligence is gathered generally is not necessary for  
21 public debate on the defense and foreign policies of the  
22 United States, but information gathered by the Central  
23 Intelligence Agency should remain accessible to re-  
24 questers, subject to existing exemptions under law;

1           (10) the organization of Central Intelligence  
2 Agency records allows the exclusion of operational files  
3 from the search and review requirements of the Free-  
4 dom of Information Act while leaving files containing  
5 information gathered through intelligence operations  
6 accessible to requesters, subject to existing exemptions  
7 under law; and

8           (11) the full application of the Freedom of Infor-  
9 mation Act to the Central Intelligence Agency results  
10 in inordinate delays and the inability of these agencies  
11 to respond to requests for information in a timely  
12 fashion.

13       (b) The purposes of this Act are—

14           (1) to protect the ability of the public to request  
15 information from the Central Intelligence Agency  
16 under the Freedom of Information Act to the extent  
17 that such requests do not require the search and  
18 review of operational files;

19           (2) to protect the right of individual United States  
20 citizens and permanent resident aliens to request infor-  
21 mation on themselves contained in all categories of  
22 files of the Central Intelligence Agency; and

23           (3) to provide relief to the Central Intelligence  
24 Agency from the burdens of searching and reviewing  
25 operational files, so as to enable this agency to respond

1 to the public's requests for information in a more  
2 timely and efficient manner.

3 SEC. 3. (a) The National Security Act of 1947 is  
4 amended by adding at the end thereof the following new title:  
5 ~~"TITLE VII—RELEASE OF REQUESTED INFORMA-~~  
6 ~~TION TO THE PUBLIC BY THE CENTRAL IN-~~  
7 ~~TELLIGENCE AGENCY~~

8 ~~"DESIGNATION OF FILES BY THE DIRECTOR OF CENTRAL~~  
9 ~~INTELLIGENCE AS EXEMPT FROM SEARCH, REVIEW,~~  
10 ~~PUBLICATION, OR DISCLOSURE~~

11 ~~"SEC. 701. (a) In furtherance of the responsibility of the~~  
12 ~~Director of Central Intelligence to protect intelligence~~  
13 ~~sources and methods from unauthorized disclosure as set~~  
14 ~~forth in section 102(d)(3) of this Act (50 U.S.C. 403(d)(3))~~  
15 ~~and section 6 of the Central Intelligence Agency Act of 1949~~  
16 ~~(50 U.S.C. 403g), operational files located in the Directorate~~  
17 ~~of Operations, Directorate for Science and Technology, and~~  
18 ~~Office of Security of the Central Intelligence Agency shall be~~  
19 ~~exempted from the provisions of the Freedom of Information~~  
20 ~~Act which require publication or disclosure, or search or~~  
21 ~~review in connection therewith, if such files have been spe-~~  
22 ~~cifically designated by the Director of Central Intelligence to~~  
23 ~~be concerned with—~~

1           “(1) the means by which foreign intelligence,  
2           counterintelligence, or counterterrorism information is  
3           collected through scientific and technical systems;

4           “(2) foreign intelligence, counterintelligence, or  
5           counterterrorism operations;

6           “(3) investigations conducted to determine the  
7           suitability of potential foreign intelligence, counterintel-  
8           ligence, or counterterrorism sources; and

9           “(4) intelligence or security liaison arrangements  
10          or information exchanges with foreign governments or  
11          their intelligence or security services:

12 *Provided, however, That* nondesignated files which may con-  
13 tain information derived or disseminated from designated  
14 operational files shall be subject to search and review. The  
15 inclusion of information from operational files in nondesignat-  
16 ed files shall not affect the designation of the originating  
17 operational files as exempt from search, review, publication,  
18 or disclosure: *Provided further, That* the designation of any  
19 operational files shall not prevent the search and review of  
20 such files for information concerning any special activity the  
21 existence of which is not exempt from disclosure under the  
22 provisions of the Freedom of Information Act.

23          “(b) The provisions of subsection (a) of this section shall  
24 not be superseded except by a provision of law which is en-

1 acted after the date of enactment of subsection (a), and which  
 2 specifically cites and repeals or modifies its provisions.

3 “(c) Notwithstanding subsection (a) of this section,  
 4 proper requests by United States citizens, or by aliens law-  
 5 fully admitted for permanent residence in the United States,  
 6 for information concerning themselves, made pursuant to the  
 7 Privacy Act of 1974 (5 U.S.C. 552a) or the Freedom of In-  
 8 formation Act (5 U.S.C. 552), shall be processed in accord-  
 9 ance with those Acts.”.

10 (b) The table of contents at the beginning of such Act is  
 11 amended by adding at the end thereof the following:

“TITLE VII—RELEASE OF REQUESTED INFORMATION TO THE  
 PUBLIC BY THE CENTRAL INTELLIGENCE AGENCY

“Sec. 701. Designation of files by the Director of Central Intelligence as exempt  
 from search, review, publication, or disclosure.”.

12 SEC. 4. The amendments made by section 3 shall be  
 13 effective upon enactment of this Act and shall apply with  
 14 respect to any requests for records, whether or not such re-  
 15 quest was made prior to such enactment, and shall apply to  
 16 all cases and proceedings pending before a court of the  
 17 United States on the date of such enactment.

18 That this Act may be cited as the “Intelligence Information  
 19 Act of 1983”.

12   file or improperly placed records solely in designated files,  
13   the court shall order the Agency to search the particular des-  
14   ignated file for the requested records in accordance with the  
15   provisions of the Freedom of Information Act and to review  
16   such records under the exemptions pursuant to section 552(b)  
17   of title 5, United States Code. If at any time during such  
18   proceedings the Agency agrees to search designated files for  
19   the requested records, the court shall dismiss the cause of  
20   action based on this subsection.

21       “(2) On complaint under section 552(a)(4)(B) of title 5,  
22   United States Code, that the Agency has improperly with-
